

AVRIL

Oh hello there! I'm Avril, and my friend Henry and I are the Lunch Labbers! After school we help out with Professor Fizzy to create new and exciting meals and snacks. Taste-testing is key!

ACROSS →

1. As the inventor of Lunch Lab, he enjoys teaching kids and families how fun great nutrition can be!
2. Professor Fizzy's first invention, this little bot always lends a hand.
4. This character is in charge of all of the recipes at the Lunch Lab. She is one tough cup!
5. This character visits the Lunch Lab with Avril after school to learn about new foods and recipes.

DOWN ↓

1. This rockin' group makes learning about nutrition interesting and fun to dance to!
3. When we want to learn about how our body works and keeps us going, from the inside out, we ask this helpful guy!

FAVE FOODS

cherries

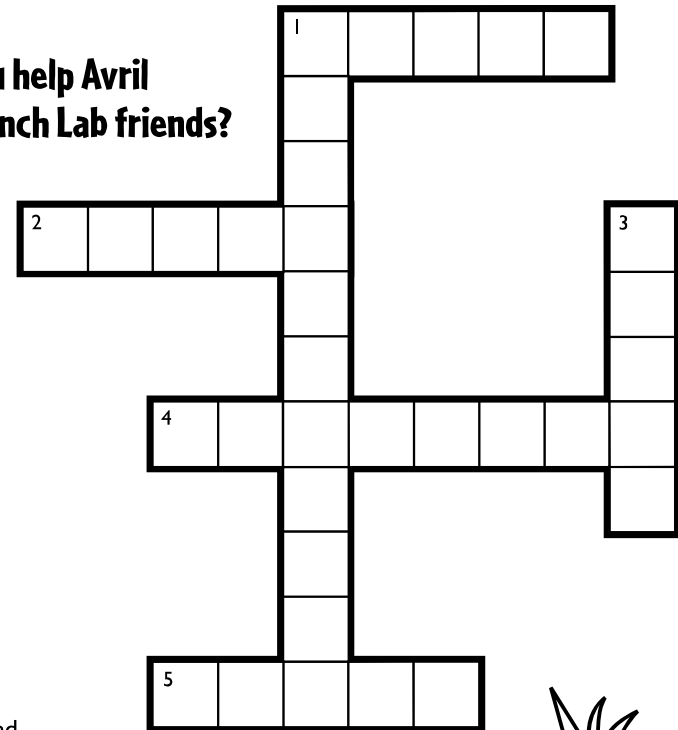

avocados

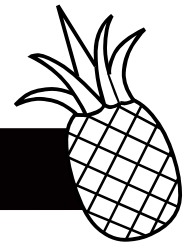

granola

Can you help Avril
NAME her Lunch Lab friends?

FOOD FACT #29

The name 'pineapple' was the original name for a pinecone, grown on pine trees. Because the pineapple fruit looked like a huge pinecone, it too was called a pineapple.

ANSWERS: ACROSS: 1. FIZZY, 2. MIXIE, 4. CORPORAL, 5. HENRY / DOWN: 1. FREEZERBURN, 3. SULLY
