## MIXIEBOT DASH

### YOU'LL NEED:

A house or small building  
to run around safely

3 or more people

Cut out the Mixiebot tokens  
below. The first person to  
collect five Mixiebot tokens is  
declared the winner!

### HOW TO PLAY

All players begin at the front of the house with one person chosen to start as Mixiebot. Mixiebot faces the players and declares, "I'm thinking of a type of...(shoe, car, food, etc.). The players try to guess correctly what Mixiebot is thinking of, and when one successfully guesses the correct answer, Mixiebot will shout out the name of the player. Mixiebot and the player who guessed correctly must run around the outside of the house in opposite directions as quickly as they can. Whoever gets around the house and back to the starting place at the front of the house becomes Mixiebot for the next round and receives a token.

I'm thinking of a type of food.  
Can you guess what it is?
