## STUCK IN THE MASH

### YOU'LL NEED:

A large open space outside

4 or more players

Corporal Cup Badge

Cut out the Corporal Cup Badge below. The person chosen to be Corporal Cup may wear the badge during play.

## HOW TO PLAY

One person is chosen to be Corporal Cup in the game. Everyone must run away from Corporal Cup while they try to tag the other players. When you are tagged, you are then stuck in the mash and must stand in the spot you were tagged in. The stuck players should stand with their legs far apart. To be saved, a player who is not tagged can crawl between the legs of a stuck player and free them. The game is over once all players are stuck in the mash. The last player to be tagged is Corporal Cup in the next round.

Avril, help! I'm stuck in the mash!
